Is your Mitrefinch TMS System ready for the time change?

Please forward this Support notification onto your Mitrefinch TMS Administrator or IT Manager to ensure that your Mitrefinch System is prepared for the upcoming time change.

Click here (or see attached) for step by step instructions to help you configure Mitrefinch TMS so that your Clock and Terminals will automatically adapt to the end of Daylight Savings this weekend.

Please ensure that Poller is running when you start applying the changes

Customers with sites in some Australian states may require a patch to run on their server for the time change to take place.

For more information contact our Support Hotline 1300 884 817 or support@mitrefinch.com.au

*If you need assistance setting up Public Holidays within your TMS system please contact **Mitrefinch Support** prior to the long weekend.*

Please Note: Our Support Office will be closed on Good Friday and Easter Monday
